## Simble Solutions Limited (ASX:SIS) | ASX Announcement

### Sales and Operational Highlights

#### Australia

- Continued growth rate in meters under management with Intellihub. Additional 662 meters added in the quarter by Intellihub across its client base (including RAA, South Australia) for a total of over 7,417 meters under management and a quarterly growth rate of 10% (*SimbleConnect*).
- Intellihub strengthens their partnership with Simble and enters into a 3-year contract to roll out the CarbonView platform across their Australian / NZ business.
- Intellihub is an energy management company which provides smart metering devices and services to over 50 energy retailers across ANZ. It is owned 50:50 by Brookfield Asset Management (**Brookfield**) and Pacific Equity Partners (**PEP**), and is a significant enterprise with Brookfield acquiring its 50% interest from PEP in August 2022 at an enterprise value of \$3.2B.
- Uniting (Victoria and Tasmania) entered into an agreement with the Company to roll out its CarbonView platform to measure their carbon footprint, including all direct impacts (Scope 1&2 emissions) as well as the goods and services provided by suppliers (Scope 3) across over 300 sites in Victoria and Tasmania.

#### Other Australian Customers and Partners Update

- Received orders from channel partners and customers such as Origin Zero, Energy & Carbon Solutions, Harvey Norman Commercial, MTA Energy, Optima Technology, Rethink Renewables and Solar Energy Enterprises amongst others.

#### United Kingdom

- Independent fuel retailer, Ascona Group completed a successful trial project of the SimbleSense Platform across 6 of its England based sites. The Company is awaiting confirmation to proceed with a full rollout of the SimbleSense platform with associated energy metering devices across all remaining sites. Simble will update the market if and when written confirmation is received.

- Received orders from channel partners and customers such as Feilo Sylvania, GA Harper, Nisa Retail, Shepherd Neame and Powercor.

### Artificial Intelligence Business Integration

The Company is actively exploring the application of AI to its business processes, including evaluating the application of businesses operating within the Bittensor (TAO) ecosystem. The Company recognises AI is going to change the way in which businesses operate and wants to position itself at the front end of this exciting new era. The Company is working with its advisors and directors to better refine what AI integrations can be made to the business and will update the market in due course.

### Financial Update

#### Quarterly Cashflow

- Cash receipts from Customers of \$130k. Various customer trials were delayed and dragged on through to this quarter. We had also expected a R&D grant application to be finalised and processed before the end of the quarter, which has been delayed.
- Net Cash Used in Operating Activities was \$381k.
- On 18 June 2025 the Company announced an equity raise of c\$527k (before the costs of raising), with funds received during the Quarter. \$500,000 of the equity raise was through a placement at \$0.0025 cents per share with 200,000,000 ordinary shares issued to investors. An additional c\$27k was raised through the cancellation of the At-The-Market-Facility with Alpha Investment Partners Pty Ltd with the 10,950,000 shares held as collateral sold at \$0.0025 cents per share.
- Cash balance as at 30 June 2025 was \$553k.
- Total headcount (excluding Non-Executive Directors) at the date of this release is 15, with 6 FTEs in Australia and the UK, 8 FTEs in the tech team in Vietnam, and 1 part-time executive.
- As required under ASX listing rule 4.7C.3 payments to related parties in the quarter of \$82k are comprised of directors' fees and salary paid to executive directors of \$67k and non-executive fees of \$15k. The basis and principles of director remuneration are consistent with the remuneration report included in the Company's Annual Report which was released to the ASX on 28 March 2025.

### About Simble

Simble Solutions Limited (ASX:SIS) is a global Energy and Sustainability provider with integrated solutions across energy efficiency, sustainability and renewable energy development, supporting the global transition to Net Zero.

Simble's operations are built around two core business pillars:

#### 1. Energy and Sustainability Software Solutions & Training

- a. Simble's flagship platforms, *SimbleSense* and *CarbonView* provide real-time energy intelligence, carbon footprint tracking, and enterprise-grade carbon reporting tools to help organisations reduce emissions and optimise energy usage.

- b. *SimbleAcademy* supports these solutions with a professional training and education platform offering industry-relevant programs in carbon accounting, energy management, and ESG. *SimbleAcademy* equips individuals and organisations with the skills required to thrive in the Net Zero era.

## 2. Renewable Energy Developments

Focused on developing large-scale, clean energy infrastructure including solar, hydrogen, and battery projects, this division supports Australia's transition to a low-carbon economy by delivering bankable, scalable renewable energy assets.

Simble operates across the Commercial & Industrial and Medium Sized Enterprise segments across Australia and the United Kingdom. We distribute our solutions directly via B2B sales, as well as through multiple channel partners. Simble has an international presence with teams in Australia, the United Kingdom and Vietnam.

8.6.1	Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?		
	Answer: The Company had a soft June 25 quarter with expected customer orders in the United Kingdom delayed until after 30 June 2025. Company performance in the September quarter is expected to improve with higher sales. We have since received further orders across both Australia and United Kingdom markets.		
8.6.2	Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?		
	Answer: Yes, the Company is assessing capital raising and additional debt funding options to increase the level of available funding. Also refer 8.6.1 commentary. The company is expecting that these steps will be successful.		

8.6.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes, the company is forecasting an improved business performance. The company is also pursuing additional capital and debt options necessary to support the ongoing funding requirements of the business (refer 8.6.2).

*Note: where item 8.5 is less than 2 quarters, all of questions 8.6.1, 8.6.2 and 8.6.3 above must be answered.*
