## ITEM 2: RE-ELECTION OF DIRECTOR — MARK HAWTHORNE

Under the Constitution and Listing Rule 14.4 a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following the Director's appointment or 3 years, whichever is longer. A Director may retire and offer themselves for re-election prior to expiry of that period.

The Constitution further requires that one Director must retire at each annual general meeting and that the retiring Director may offer themselves for re-election at that annual general meeting.

Mark Hawthorne was last elected as a Director on 2 September 2022. Accordingly, Mark Hawthorne retires from office and offers himself for re-election.

**Mark Hawthorne** | *Independent Non-executive Director*

*Member: Audit and Risk Committee*

*Member: People, Culture and Nominations Committee*

*Mark brings more than 28 years' of retail and franchising experience gained as an executive leading franchisee centric brands. Most recently, he was the CEO and Executive Director of Guzman y Gomez (GyG) from 2015 to 2020. Prior to that, Mark led McDonalds in various markets including the United Kingdom, New Zealand and the Middle East and Africa over a period of 10 years.*

*In his previous executive capacity, Mark developed and implemented strategic plans that turned the profitability of poor performing markets, increased the profitability of established, high growth markets and led the GyG brand with its founders from start-up to a brand that, at the time of his retirement, had more than doubled its number of restaurants, employees, franchisees and revenue.*

*Mark achieved his Chartered Accountant qualification in 1997 and is a Graduate of the Australian Institute of Company Directors' Company Directors Course.*

### Board recommendation

The Board (with Mark Hawthorne abstaining) recommends that shareholders vote in favour of the re-election of Mark Hawthorne. The Chair of the meeting intends to vote all available proxies in favour of the resolution.

## ITEM 3: RE-ELECTION OF DIRECTOR — KEVIN PERKINS

Under the Constitution and Listing Rule 14.4 a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following the Director's appointment or 3 years, whichever is longer. A Director may retire and offer themselves for re-election prior to expiry of that period.

The Constitution further requires that one Director must retire at each annual general meeting and that the retiring Director may offer themselves for re-election at that annual general meeting.

Kevin Perkins was last re-elected as a Director on Friday, 27 August 2021. He served as the Company's Interim Managing Director and Chief Executive Officer at the last AGM and, in accordance with Listing Rule 14.4 and the Constitution, was not required to stand for re-election at that time. Having since concluded the interim role and returning to his role as Director, Kevin Perkins now retires by rotation and offers himself for re-election.

**Kevin Perkins** | *Non-executive Director*

*Member: People, Culture and Nominations Committee*

*Kevin is a highly experienced executive in the Quick Service Restaurant (QSR) and casual dining segments of the Australian restaurant industry. He has had more than 40 years' experience with the Collins Foods Group, having overseen its growth both domestically and overseas over that time.*

### Board recommendation

The Board (with Kevin Perkins abstaining) recommends that shareholders vote in favour of the re-election of Kevin Perkins. The Chair of the meeting intends to vote all available proxies in favour of the re-election of Kevin Perkins.

## ITEM 4: ADOPTION OF REMUNERATION REPORT

The Corporations Act requires that the Remuneration Report must be put to shareholders for adoption at the Company's AGM.

The Remuneration Report for the financial period ended 27 April 2025 is set out on pages 24 to 47 of the financial report for the period ended 27 April 2025 released on 24 June 2025. The Report is available on the Company's website at [www.collinsfoods.com](http://www.collinsfoods.com).

The Remuneration Report outlines the Company's remuneration framework and remuneration arrangements in place for Directors and Key Management Personnel of the Company and its controlled entities. It includes details on:

- the principles and objectives underlying the remuneration framework;
- specified details of the components of Directors' and senior executives' remuneration, including performance conditions; and
- the relationship between remuneration structures and Company performance.

In accordance with section 250R(3) of the Corporations Act, the shareholder vote on the Remuneration Report is advisory only and does not bind the Directors or the Company.

The resolution to approve the Remuneration Report at the Company's 2024 Annual General Meeting was passed by a poll (with 99.25% of votes cast in favour of the Remuneration Report).

The Corporations Act provides for a 'two strikes rule' in relation to voting on the Remuneration Report. In summary, the rule gives shareholders the opportunity to require a general meeting to be held to re-elect the Board if the Remuneration Report receives two 'strikes' (a strike occurs when at least 25% of the votes cast on the resolution are against adoption) at two consecutive annual general meetings.

Following consideration of the Remuneration Report, the Chair will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

### Board recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that shareholders vote in favour of adopting the Remuneration Report. The Chair of the meeting intends to vote all available proxies in favour of the resolution.

## ITEM 5: APPROVE GRANT OF PERFORMANCE RIGHTS TO XAVIER SIMONET

It is proposed that the Company's Managing Director and Chief Executive Officer (**CEO**), Xavier Simonet, be granted 140,579 Performance Rights under the Collins Foods Limited LTIP. This resolution also seeks shareholder approval for the vesting of the Performance Rights granted to Xavier Simonet in the event that he ceases employment with the Company in certain circumstances.

In accordance with ASX Listing Rule 10.14, securities cannot be issued to a Director under an employee incentive scheme without first obtaining shareholder approval. If approval is obtained under Listing Rule 10.14, separate approval under ASX Listing Rule 7.1 is not required for the proposed grant of Performance Rights to Xavier Simonet, Managing Director and CEO, under the LTIP, as part of his long-term incentive arrangements.

The Board considers that the proposed grant represents reasonable remuneration for Xavier Simonet in his role as Managing Director and CEO of the Company.

Xavier Simonet is the only Director eligible to participate in the LTIP. Non-executive Directors are not eligible to participate, and accordingly, none of the current Directors (other than Xavier Simonet) are eligible to participate.

The LTIP was last approved by shareholders at the Company's 2023 Annual General Meeting. Since that time, 1,291,894 Performance Rights (~1.09% of issued capital) have been issued under the LTIP to employees other than Xavier Simonet.

If this resolution is not approved by shareholders, the Board will consider alternative arrangements to appropriately remunerate and incentivise the Managing Director and CEO, including a cash-based incentive.

The Company also seeks shareholder approval pursuant to section 200E of the Corporations Act for vesting of the Performance Rights granted to Xavier Simonet in the event that he ceases to be employed by the Company in certain limited circumstances, as specified in Xavier Simonet's individual personalised offer document. Such circumstances include termination without cause, redundancy, death or permanent disability.

Under section 200B of the Corporations Act, a company may only give a person a 'benefit' in connection with their ceasing to hold a managerial or executive office in the company (Termination Benefit) if it is approved by Shareholders under section 200E of the Corporations Act (or an exemption applies). The term 'benefit' may include the pro rata vesting of Performance Rights in the limited circumstances outlined above, where Xavier Simonet ceases to be employed by the Company. The pro rata vesting of Xavier Simonet's Performance Rights, in those limited circumstances, may amount to the giving of a Termination Benefit requiring Shareholder approval under section 200E of the Corporations Act. As such, Shareholder approval is sought for these purposes.

Provided the first year of the Measurement Period has been completed, the number of Performance Rights that may vest on cessation of Xavier Simonet's employment for retrenchment or redundancy is calculated on a pro-rata basis using the following formula:

$$\frac{\text{The period, in days, from the date of grant to the date of termination, inclusive}}{\text{The period, in days, from the date of grant to the intended date of vesting, inclusive}} = \text{No. of Performance Rights issued, or to be issued}$$

The number of Performance Rights that may vest on cessation of Xavier Simonet's employment for termination without cause, death or permanent disability is determined by the Board in its sole discretion.

All Performance Rights will lapse (and will not vest) on cessation of employment for resignation or termination with cause unless the Board determines otherwise.

### Information for shareholders

In accordance with ASX Listing Rule 10.15, the following information is provided to shareholders:

- The Director is Xavier Simonet, being the Managing Director and CEO of the Company.
- Xavier Simonet is a Director for the purposes of ASX Listing Rule 10.14.1.
- The number and material terms of the Performance Rights proposed to be granted to Xavier Simonet are summarised elsewhere in this Notice of Meeting. The Performance Rights will otherwise be issued in accordance with the LTIP rules, a summary of which is included in Schedule 1 to these Explanatory Notes.
- The specific number of Performance Rights to be issued to Xavier Simonet under the proposed resolution is 140,579.
- Performance Rights are granted and exercisable for nil consideration on the basis that their grant represents an incentive for future performance, and will be subject to Vesting Conditions.
- The total reward received by Xavier Simonet in FY25 (as disclosed in the FY25 Remuneration Report) was \$641,424. Total reward includes salary, superannuation, other benefits, short term incentives and long-term incentives.

- As disclosed in the FY25 Remuneration Report, Xavier Simonet currently holds 61,637 Performance Rights.
- It is intended that the Performance Rights will be issued as soon as practicable after the date of the Annual General Meeting, if approved by shareholders, and in any event, no later than 3 years after the Annual General Meeting.
- Performance Rights are used under the LTIP:
  - to offer long-term incentives to employees; and
  - with the aim of aligning rewards for performance with the achievement of the Company's growth and strategic objectives.
- The value of the Performance Rights has been determined with reference to Xavier Simonet's salary and superannuation of \$1,230,068 (**Base Salary**) which was determined with reference to independent remuneration benchmarking. The maximum value of Xavier Simonet's long-term incentive award is equivalent to 100% of Xavier Simonet's Base Salary where stretch performance is achieved (refer to 'Grant Terms: Number of Securities' below for further detail). The value of the Performance Rights may be affected by:
  - the market price of the Shares at the time the employment ceases;
  - the exercise price applicable to the Performance Rights;
  - performance against the performance hurdles at the time the employment ceases;
  - part of the service period having elapsed at the time the employment ceases; and
  - the number of Performance Rights that lapse on cessation of employment.
- No loans will be granted to Xavier Simonet in relation to his participation in the LTIP.
- Details of any securities issued under the LTIP will be disclosed in the Company's annual report for the relevant financial period, along with a statement that shareholder approval was obtained under Listing Rule 10.14 for the issue of securities. Any Directors or other persons covered by Listing Rule 10.14 who become entitled to participate in the LTIP after this resolution is approved and who were not named in the Notice of Meeting will not participate until separate shareholder approval is obtained.
- A voting exclusion statement is included in the Notice of Meeting.

## Board recommendation

The Board (with Xavier Simonet abstaining) recommends that shareholders vote in favour of the proposed grant of 140,579 Performance Rights to Xavier Simonet under the LTIP and the giving of a benefit to Xavier Simonet in connection with any vesting of those Performance Rights on cessation of employment with the Company. The Chair of the meeting intends to vote all available proxies in favour of the resolution.

## Terms

<b>Number of Securities</b>	The number of Performance Rights issued to Xavier Simonet will be 140,579. This has been calculated by dividing Xavier Simonet's FY26 base salary of \$1,230,068 by the volume weighted average price ( <b>VWAP</b> ) over 5 trading days pre and post the release of the audited 2025 Financial Statements of \$8.75.																
<b>Issue Price</b>	The Performance Rights will be granted for nil consideration on the basis that their grant represents an incentive for future performance and will be subject to Vesting Conditions.																
<b>Exercise Price</b>	In accordance with the LTIP rules the Performance Rights have a nil exercise price.																
<b>Term</b>	Each Right has a <b>Term of 15 years</b> from the Grant Date and if not exercised within that Term, the Rights will lapse. The Grant Date is the date of the Grant Notice received following the making of an Application.																
<b>Exercise Restriction Period</b>	The minimum Exercise Restriction Period applies to these Rights, which is 180 days from the Grant Date, however, it can be expected that this period will have elapsed by the time vesting occurs.																
<b>Exercise Period</b>	<p>Vested Rights may be exercised at any time between the latter of the Vesting Date (being the date specified in Vesting Notice issued with the approval of the Board) and the elapsing of any Exercise Restriction Period specified in the Invitation, and before the end of their Term.</p> <p>On exercise of vested Rights, the Board will determine the Exercised Rights Value and the extent to which that value is to be provided in the form of Shares. The result will be advised to participants in a Settlement Notice.</p> <p>To the extent that the Exercised Rights Value is to be delivered in Shares (which includes Restricted Shares), the Board will arrange for such Shares to be obtained and subsequently transferred to the participant or held by a trustee.</p>																
<b>Measurement Period</b>	The three financial periods beginning 28 April 2025 and ending on 30 April 2028.																
<b>Vesting Conditions</b>	<p><b>Tranche 1 Performance Rights are subject to an rTSR performance vesting condition.</b> This vesting condition compares the Company's Total Shareholder Return (<b>TSR</b>) over the Measurement Period with the TSRs of a selected peer group of companies. TSR is calculated as a percentage growth in shareholder value based on share price growth and dividends, assuming that they are reinvested into Shares. It is calculated over a specific period which for purpose of this Invitation is the Measurement Period.</p> <p>The vesting scale for this performance vesting metric is as follows:</p> <table> <tr> <th>Performance Level</th><th>Collins Foods Relative TSR Compared to the ASX 300 (XJO)</th><th>% of Grant Vesting</th></tr> <tr> <td>Stretch</td><td>At or above the 75th Percentile</td><td>100%</td></tr> <tr> <td>Between Target and Stretch</td><td>Between the 50th Percentile and 75th Percentile</td><td>2% for each 1% &gt;50% and &lt;75%</td></tr> <tr> <td><b>Target</b></td><td><b>At the 50th Percentile</b></td><td><b>50%</b></td></tr> <tr> <td>Below Target</td><td>Below the 50th Percentile</td><td>0%</td></tr> </table> <p><b>Calculating relative TSR:</b> for Collins Foods (and not peers), the opening share price is calculated as the VWAP for the 10 trading days either side of the start of the Measurement Period. The closing share price is calculated as the VWAP for the 10 trading days either side of the end of the Measurement Period. The TSR of peers (excluding Collins Foods) over the Measurement Period is then obtained and is used to determine the percentile ranking of Collins Foods' TSR. The peer group is the group of companies present in the ASX 300/XJO index at the start of the Measurement Period, and only those companies remaining at the end of the Measurement Period will be included in the calculation. The Board retains discretion to review the comparator group used for measuring TSR.</p>		Performance Level	Collins Foods Relative TSR Compared to the ASX 300 (XJO)	% of Grant Vesting	Stretch	At or above the 75th Percentile	100%	Between Target and Stretch	Between the 50th Percentile and 75th Percentile	2% for each 1% >50% and <75%	<b>Target</b>	<b>At the 50th Percentile</b>	<b>50%</b>	Below Target	Below the 50th Percentile	0%

EPS Growth is calculated as the Compound Annual Growth Rate ( <b>CAGR</b> ) implied by comparing the EPS result for the final year of the Measurement Period ('outcome year') to the EPS for the financial year immediately prior to the start of the Measurement Period ('base year'). Statutory NPAT (unadjusted) is used in these calculations. If a change in shares on issue occurs in either the base year or the outcome year, then the time-weighted-average number of shares on issue for the year will be used.			
The Board retains discretion to modify the vesting outcomes, if it deems it appropriate to do so, in accordance with the plan rules.			
<b>Issue Date</b>	The Performance Rights under the LTIP will be granted to Xavier Simonet as soon as practicable after the AGM.		
<b>Loan Terms</b>	There are no applicable loan terms.		
<b>Dividend Equivalents</b>	Once Rights vest, Participants will be entitled to Dividend Equivalent payments at the same time as when cash dividends are paid in respect of Shares. Entitlement to Dividend Equivalents will cease when the Participant ceases to be an employee of the Group. Dividend Equivalents will be calculated as the sum of cash dividends and franking credits per Share multiplied by the number of vested Rights with a nil Exercise Price held by the Participant at the time a cash dividend is paid by the Company.		
<b>Cessation of Employment</b>	<p>Under the individual personalised offer documents, if an executive's employment with the Company (or a related body corporate of the Company) is terminated prior to the vesting of any securities issued under the LTIP, the number of Performance Rights that may vest on cessation of employment for retrenchment or redundancy is calculated on a pro-rata basis using the following formula:</p> $\frac{\text{The period, in days, from the date of grant to the date of termination, inclusive}}{\text{The period, in days, from the date of grant to the intended date of vesting, inclusive}} = \text{No. of Performance Rights issued, or to be issued}$ <p>The number of Performance Rights that may vest on cessation of employment for termination without cause, death or permanent disability is determined by the Board in its sole discretion. All Performance Rights will lapse on cessation of employment for resignation or termination with cause unless otherwise determined by the Board.</p>		

## ITEM 6: RATIFICATION OF PREVIOUS ISSUE OF SHARES UNDER THE OWNERSHIP SHARE PLAN

As announced on 30 May 2023, the Company launched a new employee share plan (Ownership Share Plan) for certain eligible employees including Restaurant Managers and Restaurant Support Centre employees based in Australia and Europe. A summary of the key terms of the Ownership Share Plan, as most recently approved by the Board in April 2024, is included in Schedule 2 to these Explanatory Notes.

Across 26 and 27 June 2025, the Company issued 60,590 shares under the Ownership Share Plan to eligible employees.

Listing Rule 7.1 generally restricts the Company from issuing equity securities representing more than 15% of its issued capital in any 12-month period without prior shareholder approval, unless an exception under Listing Rule 7.2 applies.

Listing Rule 7.4 allows shareholders to ratify a prior issue of, or agreement to issue, securities made without approval under Listing Rule 7.1, provided the issue did not breach Listing Rule 7.1 at the time. Ratification under Listing Rule 7.4 has the effect of treating the issue as if it had received shareholder approval, thereby refreshing the Company's placement capacity under Listing Rule 7.1.

The resolution under Item 6 seeks shareholder ratification under Listing Rule 7.4 of the Shares issued under the Ownership Share Plan on the terms outlined below and in Schedule 2.

The Shares were issued across 26 and 27 June 2025 under the Company's 15% placement capacity pursuant to Listing Rule 7.1. Ratification is now sought from shareholders pursuant to Listing Rule 7.4 to restore that capacity and provide the Company with greater flexibility to issue further Shares without shareholder approval.

If the resolution is passed, the Shares issued under the Ownership Share Plan will be excluded from the calculation of the Company's 15% placement limit under Listing Rule 7.1, effectively restoring the Company's capacity to issue equity securities without shareholder approval over the 12-month period following 27 June 2025.

If Item 6 is not passed, the Shares issued under the Ownership Share Plan will continue to be counted towards calculation of the Company's 15% placement limit under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following 27 June 2025.

Pursuant to and in accordance with Listing Rule 7.5, the following information in relation to Item 6 is provided to shareholders:

- **Recipients:** The Shares were issued to eligible employees (as described in Schedule 2) based in Australia and Europe, including Restaurant General Managers, Area Coaches, and Restaurant Support Centre Level 1 – 3 employees.
- **Number and type of securities:** 60,590 fully paid ordinary shares were issued across 26 and 27 June 2025.
- **Issue price:** The Shares were granted for nil consideration on the basis their grant represents an incentive for future performance.
- **Purpose of issue:** To provide employee incentives and ensure the Company's remuneration practices remain competitive within the Quick Service Restaurant market.
- **Material terms:** A summary of the Ownership Share Plan is set out in Schedule 2.
- **Voting exclusion:** A voting exclusion statement is included in the Notice of Meeting.

### Board recommendation

The Board recommends that shareholders vote in favour of Item 6 Ratification of previous issue of Shares under the Ownership Share Plan. The Chair of the meeting intends to vote all available proxies in favour of the resolution.

## Undirected and directed proxies — Items 4, 5 and 6

The Corporations Act places certain restrictions on the ability of Key Management Personnel (including the Chair of the Meeting) and their Closely Related Parties to vote as proxy for another shareholder on Item 4 (Remuneration Report), Item 5 (Approve grant of Performance Rights to Xavier Simonet) and Item 6 (Ratification of previous issue of Shares under the Ownership Share Plan).

To ensure that your votes are counted when appointing a proxy who is a member of Key Management Personnel or a Closely Related Party of such a member, you are encouraged to direct your proxy as to how to vote on Items 4, 5 and 6 by indicating your preference by completing any of the 'For', 'Against' or 'Abstain' boxes on the proxy form.

## The Chair intends to vote all undirected proxies in favour of Items 4, 5 and 6

If you appoint the Chair of the Meeting as your proxy but you do not direct the Chair how to vote in respect of Items 4, 5 and 6 you will be authorising and directing the Chair to vote in favour of Items 4, 5 and 6, and the Chair will vote in this way, even though Items 4, 5 and 6 are connected with the remuneration of Key Management Personnel.

## ALL RESOLUTIONS WILL BE BY POLL

The Chair intends to call a poll on each of the resolutions set out in this Notice of Meeting.

## FORMAL LOCATION

The formal location of the meeting will be at the office of Allens, Level 26, 480 Queen Street, Brisbane QLD 4000. However, as outlined above, shareholders are invited and encouraged to participate in the meeting via the online platform or by lodging a proxy ahead of the meeting.

## TECHNICAL DIFFICULTIES

Technical difficulties may arise during the course of the AGM.

The Chair has discretion as to whether and how the meeting should proceed if a technical difficulty arises. In exercising this discretion, the Chair will have regard to the number of shareholders impacted and the extent to which participation in the business of the meeting is affected.

Where the Chair considers it appropriate, the Chair may continue to hold the meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to lodge a proxy by 9.30 am (Brisbane time) on Sunday, 31 August 2025 even if they plan to attend online.

Summary of the key terms of the LTIP

<b>Plan overview</b>	The Board may, from time to time, in its absolute discretion, offer to grant Performance Rights as part of its long-term incentive strategy to an Employee under the LTIP.
<b>Eligible Person</b>	Means a full time or part-time employee (excluding non-executive directors), a casual employee of the Group or a contractor to the Group or a person who will prospectively fill one of the foregoing roles, including executive Directors but excluding non-executive Directors. For the avoidance of doubt, associates of Eligible Persons are not eligible to be granted Rights unless otherwise determined by the Board.
<b>Participants</b>	<p>Eligible Persons whose Applications have been accepted and have been granted Rights will be referred to as Participants in the Plan.</p> <p>They will remain Participants until all Rights they have been granted have either lapsed or been exercised and both any risk of forfeiture and disposal restrictions applicable to the Shares acquired by exercising the Rights have ceased to apply.</p> <p>Rights may not be disposed of or transferred or otherwise dealt with (including for purposes of this Rule, encumbered or made subject to any interest in favour of any other person) and will lapse immediately on purported disposal, transfer or dealing unless the transfer is effected by operation of law on the death or legal incapacity of the Participant to the Participant's legal personal representative.</p>
<b>Plan limit</b>	<p>If an offer of Performance Rights is to be made for monetary consideration which is to be provided by the Participant either for the issue of the Performance Rights or on their exercise, the offer must comply with the Issue Cap.</p> <p>An offer of Performance Rights under the Plan complies with the Issue Cap if, at the time the offer is made, the Company reasonably believes:</p> <ul style="list-style-type: none"> <li>the total number of Shares that are covered by the Performance Rights that may be issued under the offer; and</li> <li>the total number of Shares that are covered by Performance Rights that have been issued, or may be issued, under offers that were both received in this jurisdiction and made in connection with an employee share scheme (as defined in section 1100L(1) of the Corporations Act) at any time during the 3 year period ending on the day the offer is made,</li> </ul> <p>does not exceed the issue cap percentage specified in the Company's constitution (if any), or otherwise 5%, of the number of those Shares actually issued by the Company (whether in connection with the Plan or otherwise) as at the start of the day the offer is made.</p>
<b>Vesting Conditions</b>	<p>The Board will determine whether any performance hurdles or other conditions (including as to time and satisfaction of a minimum 12 month term of employment) will be required to be met (Vesting Conditions) before the Performance Rights which have been granted under the Plan can vest.</p> <p>Performance Rights will typically vest following the completion of the Measurement Period based on an assessment of the Vesting Conditions, however Rights may vest before the end of the Measurement Period in some circumstances such as under certain Board discretions specified in the plan rules.</p>
<b>Issue price</b>	Unless otherwise determined by the Board in its discretion, Performance Rights are to be granted for nil consideration to Employees under the Plan. Performance Rights may otherwise be granted for nominal cash consideration.
<b>Exercise price</b>	The exercise price for Performance Rights, or the method of calculation of the exercise price, is as determined by the Board at the time of grant and stated in the letter of offer. The exercise price for a Performance Right will be nil (including where no exercise price is stated in the letter of offer) unless the Board determines otherwise and states the price in the letter of offer.
<b>Exercise period</b>	The terms for exercise, including the exercise period, are stated in the offer letter and any Performance Rights may not be exercised outside of a Trading Window prescribed in the Collins Foods Securities Trading Policy.
<b>Service Test and Cessation of Employment</b>	<p>Continued service during the of the Measurement Period is a requirement in order for all Rights to be eligible to vest, unless otherwise determined by the Board.</p> <p>In the event of cessation of employment (or a contract) for cause, as determined by the Board, any unvested Rights and Rights subject to an Exercise Restriction Period will be forfeited immediately and automatically (e.g. in the case of termination due to fraud or criminal activity).</p> <p>Generally, Performance Rights held at the date of a cessation of employment in respect of which the first year of the Measurement Period has not been completed will be forfeited in full. In the case of a cessation of employment after the first year of the Measurement period, Rights will be forfeited pro-rata in the percentage that the remainder of the Measurement Period bears upon the full Measurement Period, unless otherwise determined by the Board. Rights not forfeited upon termination will remain on-foot for testing at the usual time.</p> <p>Following a Participant ceasing employment with the Group, more than 90 days after the first date that all Rights that the Participant holds are fully vested and not subject to an Exercise Restriction Period, Rights held by the Participant may be automatically exercised on a date determined by the Board pursuant to the power of attorney granted by the Participant under the Rules.</p>

<b>Dividend Equivalents</b>	Once Rights vest, Participants will be entitled to Dividend Equivalent payments at the same time as when cash dividends are paid in respect of Shares. Entitlement to Dividend Equivalents will cease when the Participant ceases to be an employee of the Group. Dividend Equivalents will be calculated as the sum of cash dividends and franking credits per Share multiplied by the number of vested Rights with a nil Exercise Price held by the Participant at the time a cash dividend is paid by the Company.
<b>Disposal Restrictions Applicable to Rights</b>	Rights may not be disposed of, transferred or otherwise dealt with at any time, except by force of law (see Rules). They may be exercised once they vest, and any Exercise Restriction Period has elapsed or been waived.
<b>Administration</b>	The LTIP is administered by the Board, which has an absolute discretion to determine appropriate procedures for its administration and resolve questions of fact or interpretation and formulate special terms and conditions (subject to the Listing Rules, including any waiver granted by ASX) in addition to those set out in the LTIP.
<b>Change of Control</b>	<p>If, in the opinion of the Board, a Change of Control Event has occurred, or is likely to occur, the Board may declare a Performance Right to be free of any Vesting Conditions and, if so, the Company must issue or transfer Shares in accordance with the LTIP rules. In exercising its discretion in determining the vesting outcome, the Board will consider whether measurement of Vesting Conditions (on a pro-rata basis) up to the date of the Change of Control Event is appropriate in the circumstances.</p> <p>Change of Control Event means where:</p> <ul style="list-style-type: none"> <li>• a takeover bid is made and a person obtains voting power (as defined under the Corporations Act) of more than 50% and the takeover bid has become unconditional;</li> <li>• a court has sanctioned a compromise or arrangement (other than for the purpose of, or in connection with, a scheme for the reconstruction of the Company); or</li> <li>• any other transaction which the Board determines will result in a change in control of the Company.</li> </ul>
<b>Amendments</b>	Subject to the Listing Rules, the Board may amend the LTIP at any time but may not do so in a way which reduces the rights of Employees' existing rights without their consent, unless the amendment is to comply with the law, to correct an error or similar.
<b>Termination and suspension</b>	The LTIP may be terminated or suspended at any time by resolution of the Board, but any such suspension or termination will not affect nor prejudice rights of any Participant holding Performance Rights at that time.

## SCHEDULE 2

<b>Number of Rights awarded</b>	The number of Rights awarded under future offers will be determined using the VWAP taken from the five trading days before and five trading days after the public release of the Company's annual audited financial reports.
<b>Administration</b>	The Ownership Share Plan is offered by the CEO on behalf of the Board and may be amended to reflect any significant change to operating or economic conditions. The Ownership Share Plan is managed externally by Computershare who is the Company's share plan administrator and manages the Company's share registry. Information is held securely, and each employee is provided a login and password to access the Rights and subsequent Shares, as eligible.
<b>Restrictions</b>	<p>Employees under the Ownership Share Plan are bound by the Company's Group Securities Trading Policy.</p> <p>The restriction of share-trading is subject to Trading Windows being opened as determined by the Company.
