ABOUT AURORA LABS

Aurora Labs Limited ("the Company"), an industrial technology and innovation company that specialises provision of 3D metal printed parts for Defence, Oil and Gas and Resources applications, the development of 3D metal printers, powders, and associated intellectual property.

Aurora Labs is listed on the Australian Securities Exchange (ASX: A3D)

Retirement of Director

The Company wishes to advise that Mr Terry Stinson has retired as a director of the Company, effective immediately due to other commitments.

Chairman, Grant Mooney said today:

"On behalf of the Board, I would like to thank Terry for his commitment to the Company over the last 5 years during which the Company has benefitted immensely from his extensive experience in the materials, manufacturing and technology sectors. Terry has assisted greatly in progressing our proprietary printing capability to now being considered a leader in the Australian additive manufacturing space. We wish him well with his future endeavours."
