DigitalX to Host Exclusive Investor Webinar Following \$20.7M Strategic Placement

DigitalX Limited (**ASX: DCC**) ("**DigitalX**" or "**the Company**") is pleased to invite shareholders and interested investors to attend an exclusive investor webinar on Thursday, 24 July 2025, at 10:00am AWST (Perth time).

The webinar will feature DigitalX Non-Executive Chairman, Leigh Travers, who will provide insights into the Company's recently announced \$20.7 million strategic placement and outline what it means for the future of Bitcoin in Australia and DigitalX's position as a digital asset leader.

Topics to be covered in the presentation include:

- The significance of attracting strategic backing from global digital asset leaders, including Animoca Brands, UTXO Management, and ParaFi Capital.
- How the placement enhances the Company's Bitcoin-first strategy and supports growth ambitions through a significantly strengthened balance sheet.
- Implications for shareholders, the Company's ASX-listed Bitcoin ETF (ASX: BTXX), and the broader push toward digital asset adoption in regulated markets.

With over \$95 million in Bitcoin, digital assets and cash under management, and a clear focus on institutional-grade infrastructure, the session is set to provide valuable insights into the Company's trajectory and the evolving digital asset ecosystem.

Attendees will have the opportunity to engage directly with Mr Travers during a live Q&A session following the presentation.
