For the purposes of this clause 15:

- (a) “**GST Act**” means the *A New Tax System (Goods and Services Tax) Act 1999* (Cth);
- (b) words and phrases which have a defined meaning in the GST Act have the same meaning when used in this clause 15, unless the contrary intention appears; and
- (c) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies is to be treated as if it were a separate supply.

15.2 GST exclusive

Unless this document expressly states otherwise, all consideration to be provided under this document is exclusive of GST.

15.3 Payment of GST

- (b) Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time as the GST-exclusive consideration for the supply, or the first part of the GST-exclusive consideration for the supply (as the case may be), is payable or is to be provided.

- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST, or the supply is subject to a reverse-charge.

15.4 Adjustment events

If an adjustment event arises for a supply made in connection with this document, the GST Amount must be recalculated to reflect that adjustment. The supplier or the recipient (as the case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

15.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this document which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled. If the reduced payment is consideration for a taxable supply, clause 15.3 applies to the reduced payment.
