ABOUT BIRDDOG

BirdDog is a global video technology company that enhances the quality, speed and flexibility of video through a range of solutions, augmented with NDI® (Network Device Interface).

This enables video-compatible products to communicate, deliver and receive high-definition video over a computer network in a broadcast-quality, low-latency manner, that is frame accurate and suitable for switching in a live production environment.

BirdDog develops and manufactures a range of connected solutions, including:

- Pan-tilt-zoom (PTZ) Cameras
- Box Cameras
- Converters
- AV Products
- Controllers & Accessories
- Monitors
- NDI® Embedded Smart Display Modules
- Cloud Software Platforms

End users of BirdDog's products cover a wide range of market segments, including Professional Video, Broadcast, Audio Visual and large private and public sector organisations.
