MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) ("Monadelphous" or "the Company") today announced the award of new construction and maintenance contracts in the resources and infrastructure sectors valued at more than \$110 million.

The Company has been awarded a contract for the provision of electrical and instrumentation construction services at Rio Tinto's Parker Point Stockyard Sustaining Project near Dampier in Western Australia, with work expected to be completed in mid-2026.

McConnell Dowell Constructors and B.M.D. Constructions in a Joint Venture has awarded Monadelphous a contract to provide electrical and instrumentation works associated with the Fitzroy to Gladstone Pipeline in Central Queensland. Monadelphous' scope of work is expected to be completed in late 2025.

In addition, the Company has secured a five-year extension to its existing contract providing general mechanical and electrical maintenance services at Newmont's gold operations in Boddington, Western Australia, and Tanami, Northern Territory. Monadelphous has been providing these services since 2015.
