## 1. Resolution 1 – Ratification of Prior Share Placement under 7.1

### 1.1 Background

As announced to the ASX, on 30 June 2025, the Company issued 556,451,620 Shares pursuant to the placement to unrelated institutional, sophisticated or otherwise exempt investors that fall within one or more of the classes of exemptions specified in section 708 of the Corporations Act (**Placement**) without prior Shareholder approval under the Company’s 15% annual capacity as set out in Listing Rule 7.1.

In accordance with Listing Rule 7.1 and 7.4, to restore the Company’s capacity to issue Shares it is proposed that Shareholders ratify the issue of Shares as detailed below.

### 1.2 Listing Rule 7.1 and 7.4

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any 12 month period any Equity Securities, or other securities with rights to conversion to equity (such as an Option), if the number of those securities exceeds 15% of the number of securities in the same class at the commencement of that 12 month period (**15% Capacity**).

ASX Listing Rule 7.4 allows the Shareholders of a listed Company to approve the issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company’s capacity to issue further Equity Securities without Shareholder approval under that rule. The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future for matters including capitalising on minor business development opportunities in the uranium sector, enhancing work efforts on the Samphire Project development assessment and approval process and expanding exploration drilling programs without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 1 seeks Shareholder approval to the issue of securities under the Placement and for the purposes of Listing Rule 7.4.

The following information is provided in accordance with Listing Rule 7.5:

<b>7.5.1</b>	Name of persons to whom the Securities were issued	<p>The Company issued the shares under the Placement to a range of unrelated institutional, sophisticated or otherwise exempt investors that fall within one or more of the classes of exemptions specified in section 708 of the Corporations Act (<b>Placement Shareholders</b>). # Explanatory Memorandum

## 1.3 Outcome for voting for and against the Resolution

If Resolution 1 is passed, the Shares issued to Placement Shareholders will be excluded from the Company's 15% Capacity pursuant to ASX Listing Rule 7.1, maintaining the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue of the Shares pursuant to the Placement.

If Resolution 1 is not passed, the Shares issued to Placement Shareholders will be included in the Company's 15% Capacity pursuant to ASX Listing Rule 7.1, decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares pursuant to the Placement to a negligible number. Shareholder approval (requiring a further general meeting and incurring the associated costs) would then be required to enable the Company to capitalise on minor business development opportunities or to accelerate execution of its business plan.

## 1.4 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

## 2. Resolution 2 – Approval to issue Options under the Placement

---

### 2.1 Background

As announced to the ASX, on 30 June 2025, and referred to in section 1, the Company issued 556,451,620 Shares pursuant to the placement to unrelated professional, sophisticated or otherwise exempt investors that fall within one or more of the classes of exemptions specified in section 708 of the Corporations Act (**Placement**) without prior Shareholder approval under the Company's 15% annual capacity as set out in Listing Rule 7.1.

The Placement Shareholders were offered one option for every two shares subscribed for. The options were not covered by the Company's 15% capacity under Listing Rule 7.1 and were therefore subject to Shareholder approval.

### 2.2 Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any 12 month period any Equity Securities, or other securities with rights to conversion to equity (such as an Option), if the number of those securities exceeds 15% of the number of securities in the same class at the commencement of that 12 month period (**15% Capacity**).

The proposed issue of the Options pursuant to the Placement do not fall within any of the exceptions set out in Listing Rule 7.2. It therefore requires the approval of the Shareholders under Listing Rule 7.1.

Resolution 2 seeks the required Shareholder approval for the proposed issue of the Options offered under the terms of the Placement, to Placement Shareholders under and for the purposes of Listing Rule 7.1.

## 2.3 Outcome for voting for and against the Resolution

If Resolution 2 is passed, the Company will be able to issue 278,225,810 Options to Placement Shareholders.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the 278,225,810 Options to Placement Shareholders.

## 2.4 Information for Listing Rule 7.3

For the purposes of Listing Rule 7.3, the Company provides the following information:

<b>7.3.1</b>	Allottees of Equity Securities	The Options under the Placement will be issued to Placement Shareholders.
--------------	--------------------------------	---

# Explanatory Memorandum

		<p>For the purposes of ASX Guidance Note 21, none of the Placement Participants are:</p> <ul style="list-style-type: none"> <li>• a related party of the Company;</li> <li>• members of the Company's Key Management Personnel;</li> <li>• an adviser of the Company; or</li> <li>• an associate of any of the above,</li> </ul> <p>Macquarie Group Limited and its controlled bodies corporate (Macquarie) were a substantial holder of the Company as at the date of the Placement (holding 5.05%) and participated in the Placement for an amount of \$35,978 and 1,160,570 shares.</p> <p>Aside from Macquarie no other Placement Participants are considered to be "material investors" for the purposes of ASX Guidance Note 21, paragraph 7.4.</p> <p>The Options will be issued under a Share Placement Mandate with Bell Potter Securities Ltd and Taylor Collison Limited which was on market standard terms with a 6% Management and Selling Fee.</p>

### YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

### STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

### DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

### STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
