Dear Mr Acton

Advance ZincTek Limited ('ANO'): Price - Query

ASX refers to the following:

- A. The change in the price of ANO's securities from a low of \$0.83 yesterday to a high of \$1.04 today.
- B. The significant increase in the volume of ANO's securities traded from 20 July 2025 to 21 July 2025.

Request for information

In light of this, ASX asks ANO to respond separately to each of the following questions and requests for information:

1. Is ANO aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

In responding to this question, please consider in particular whether ANO is aware of any information that its earnings for the 12 month period ending on 30 June 2025:

- (a) are likely to differ materially (downwards or upwards) from any earnings guidance it has given for the period; or
 - (b) if ANO has not given any earnings guidance for the period, are otherwise likely to come as a surprise to the market (by reference to analyst forecasts for the period or, if ANO is not covered by analysts, its earnings for the prior corresponding period)?
2. If the answer to question 1 is "yes".
 - (a) Is ANO relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in ANO's securities would suggest to ASX that such information may have ceased to be confidential and therefore ANO may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
 3. If the answer to question 1 is "no", is there any other explanation that ANO may have for the recent trading in its securities?
 4. Please confirm that ANO is complying with the Listing Rules and, in particular, Listing Rule 3.1.

-
5. Please confirm that ANO's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of ANO with delegated authority from the board to respond to ASX on disclosure matters.
