PROFIT GUIDANCE ON THE UNAUDITED FINANCIAL RESULTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

Further to the Company's guidance in its Appendix 4D released in February 2025, the Board of Directors (the "**Board**") of GLG Corp Ltd (the "**Company**"), together with its subsidiaries, (the "**Group**") wishes to issue an update on its full year's financial performance for the year ended 30 June 2025 ("**FY2025**").

Preliminary management estimates indicate that the Group's unaudited accounts for FY2025 will show a loss between US\$200k to US\$500k, which is expected to be lower than previously forecast. This is primarily due to tariffs-related pressures impacting profit margin improvements in the first half of 2025.

The Board will provide further details, including operational and strategic updates when the Group announce its full year FY2025 financial results on or around 29th August 2025.
