- Positive free cashflow for the quarter and full year FY25
- Airtasker marketplaces revenue accelerates to 28.9% on pcp¹
- Airtasker UK GMV² ARR³ hits \$21.0m, ⁴ revenue up 104.8%⁵ on pcp
- Airtasker US GMV ARR hits \$7.5m,6 revenue up 754.5%5 on pcp
- \$19.1m in cash and term deposits on balance sheet

Prior comparative period being 4Q24. Gross marketplace volume.

Annualised run rate

Airtasker UK GMV for June 2025 multiplied by 12.

In local currency.

Airtasker US GMV for June 2025 multiplied by 12.

Second consecutive full year of positive free cash flow

In FY25, Airtasker delivered its second consecutive full year of positive free cash flow at \$1.2m and in 4Q25 its fourth consecutive quarter of positive free cash flow at \$670k, achieved by growing Group revenue 20.6% on pcp to \$13.4m. On a full year basis Group revenue grew 13.0% to \$52.7m.

Airtasker finished the quarter in a strong financial position with \$19.1m in cash and term deposits on its balance sheet.

Airtasker marketplaces revenue up 29%

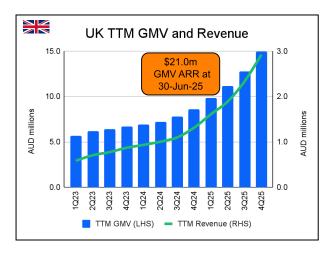

During 4Q25, Airtasker marketplaces revenue growth accelerated its current trend, up 28.9% on pcp to \$11.7m (3Q25: up 15.8%). This growth was driven in part by strong performance in Airtasker's UK and US marketplaces, which capitalised on seasonal demand during 3Q25 and 4Q25. Consistent with seasonal demand, contributions from these marketplaces are expected to moderate in 1Q26 and 2Q26. For the full year FY25, Airtasker marketplaces delivered strong revenue growth of 18.4% to \$45.1m (FY24: up 9.8%).

The continuing trend in Airtasker marketplaces revenue growth in 4Q25 was driven by higher consumer demand with booked tasks up 11.4% on pcp (3Q25: up 1.5% on pcp), the continued positive impact of marketplace reliability improvements and ongoing yield management initiatives.

Airtasker Australia saw accelerating revenue growth in 4Q25, up 20.7% on pcp to \$10.3m (3Q25: up 10.6%). On a full year basis Airtasker Australia revenue grew 13.5% to \$41.6m (FY24: up 8.6%).

Airtasker Australia's revenue increase was the result of platform revenue increasing 22.8% in 4Q25 (up \$1.8m on pcp) whilst breakage revenue continued to decrease due to lower cancellations and a more customer centric refunds process following the implementation of the cancellation policy in 1H24.

UK marketplace hits \$21.0m GMV ARR, revenue up 105% on pcp

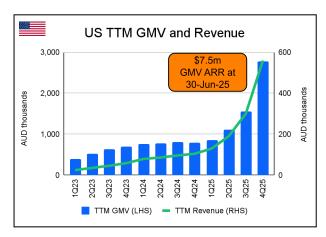

In 4Q25, revenue growth in the UK marketplace was 104.8% on pcp to £512k (3Q25: up 153.2% on pcp). The revenue performance reflected a 36.8% increase in posted tasks on pcp and a 63.6% increase in GMV on pcp to £2.4m (\$5.0m), on the back of continued brand investment through Channel 4, as well as continuing market penetration in Birmingham and Manchester.

On a TTM⁷ basis, GMV was up 74.8% on pcp to \$15.0m⁸ (£7.5m) and revenue was up 123.2% on pcp to \$2.9m8 (£1.5m). The Airtasker UK marketplace achieved a GMV ARR of \$21.0m9 (£10.1m) at 30 June 2025.

US marketplace hits \$7.5m GMV ARR, revenue up 755% on pcp

The Airtasker US marketplace continued its momentum with revenue up 754.5% on pcp to US\$188k on 4Q25 (3Q25: up 399.0% on pcp). The revenue performance reflected a 556.3% increase in GMV on pcp to US\$931k (\$1,450k) driven by the utilisation of the advertising media from TelevisaUnivision, iHeartMedia, Sinclair and Mercurius as well as city launches in Austin and Las Vegas.

On a TTM basis, GMV was up 251.7% on pcp to

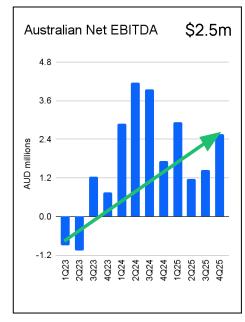

\$2.8m¹⁰ (US\$1.8m) and revenue was up 437.5% on pcp to \$560k¹⁰ (US\$360k). The Airtasker US marketplace achieved a GMV ARR of \$7.5m¹¹ (US\$4.8m) at 30 June 2025.

Australian marketplaces deliver ~\$4.8m cash flow after all global head office expenditure

During 4Q25, Airtasker's Established Marketplaces¹² in Australia generated cash flow of ~\$9.2m¹³ which contributed to fixed global head office cash expenditure of ~\$4.4m,14 leaving ~\$4.8m available to invest in New Marketplaces¹⁵ in the UK and US.

Leveraging this fixed global head office investment, cash of ~\$4.1m16 was invested in New Marketplaces resulting in positive Group free cash flow for 4Q25, whilst simultaneously growing UK revenue by 104.8% on pcp and US revenue by 754.5% on pcp.

Airtasker's Established Marketplaces delivered positive EBITDA of \$7.0m during 4Q25, including non-cash marketing of \$1.2m. After covering all global head office expenditure,

Trailing twelve months

Calculated as the trailing twelve months to 30 June 2025.

Airtasker UK GMV for June 2025 multiplied by 12.

Calculated as the trailing twelve months to 30 June 2025 Airtasker US GMV for June 2025 multiplied by 12.

The 'Established Marketplaces Segment' comprises Airtasker Australia and Oneflare which are at the 'scaling' stage as they have established user bases and operations. Represents Established Marketplaces EBITDA adjusted for material non-cash expenditure.

Represents global head office expenditure adjusted for material non-cash and capitalised expenditure.

The 'New Marketplaces Segment' comprises international marketplaces, particularly in the US, which are at the 'zero to one' and 'one to 100' stages, respectively, as they have less established user bases and operations and may experience accelerated growth in revenue.

Represents New Marketplaces EBITDA adjusted for material non-cash expenditur

the Established Marketplaces delivered positive Australian net EBITDA of \$2.5m.

Airtasker then invested \$9.7m in New Marketplaces principally in the form of \$4.9m in non-cash marketing associated with the Channel 4 media advertising services in the UK and the TelevisaUnivision, iHeartMedia, Mercurius and Sinclair media advertising services in the US, resulting in negative Group EBITDA of \$7.2m.

The negative Group EBITDA is expected to continue in FY26 as Airtasker continues to utilise the non-cash media advertising services from its media partners in Australia, the UK and the US.

The performance of the operating segments for 4Q25 is presented in the table below.

Non-statutory operating segment data ¹⁷	4Q25 \$m	4Q24 \$m	Variance \$m	Variance %
Established Marketplaces (Australia) EBITDA ¹⁸	7.0	6.5	0.5	6.8%
Less: Global head office operating expenditure ¹⁹	(3.8)	(3.9)	0.1	5.3%
Less: Global head office innovation investment ²⁰	(0.7)	(0.9)	0.2	21.1%
Australian net EBITDA	2.5	1.7	0.8	48.2%
Less: New Marketplaces (UK and US) EBITDA	(9.7)	(4.4)	(5.3)	(119.3%)
Group EBITDA	(7.2)	(2.7)	(4.5)	(164.8%)

Commenting on the results, Airtasker Founder and CEO Tim Fung said, "With Airtasker marketplaces revenue growth accelerating to 29% this quarter on pcp combined with our second consecutive year of positive free cash flow - we couldn't be more pumped for what's ahead as we scale our mission across the globe! A huge shout out to our incredible staff, amazing global media partners and the incredible Visa Cash App Racing Bulls Formula One™ Team, all of whom contributed to this outstanding result!"

Related party payments in 4Q25 totalled \$864k. The payments comprised \$136k to non-executive directors for directors' fees, superannuation and expense reimbursements, \$186k to Tank Stream Labs Pty Ltd for leases, utilities and cleaning costs related to office facilities and \$541k (£258k) to Channel Four Television Corporation for VAT related to media advertising services.

All financial information is unaudited.

- Ends -

Excluding global head office operating expenditure and innovation investment.

¹⁷ Values in the table are rounded for presentation.

The operating expenditure relating to the marketplace platforms (engineering, product support and maintenance), as well as back office support functions (leadership, legal, finance and people operations).

The innovation investment that is non-capitalisable and associated with the design of, and post-implementation work on, new features designed to enhance the customer experience, increase long term GMV and grow long term revenue.

Notes

- 1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
- 2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 107: Statement of Cash Flows apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
- Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
- 4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
- If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
