ASX Announcement

## **MLG AWARDED NEW TWO-YEAR CRUSHING AND SCREENING CONTRACT WITH FORTESCUE**

MLG Oz Limited (ASX: MLG) (**MLG** or **the Company**) is pleased to announce the execution of a new contract with Chichester Metals PTY Limited and FMG Solomon PTY Limited (Wholly owned subsidiaries of Fortescue Limited) (ASX: FMG) (**FMG**), for the provision of crushing and screening (stemming) services across their Christmas Creek, Cloudbreak, Solomon and Eliwana sites in Western Australia.

The new contract will provide fully maintained mobile crushing and screening equipment, personnel, and associated infrastructure to deliver stemming production services at Fortescue's Cloudbreak, Christmas Creek, Solomon, and Eliwana mine sites.

The contract is expected to commence in July 2025 with an initial term of 24-months and includes a further 12-month extension period.

Managing Director Murray Leahy said "We have been helping service Fortescue's crushing and screening needs for a long period of time now, and we are delighted to have extended this relationship for the next two to three years. Our crushing and screening business has now locked in substantial work for the immediate future and is confident of securing further work as we continue to broaden our capabilities and market presence."

**Authorised for release by the Board of Directors.**

### **About MLG Oz Limited**

MLG Oz Limited (ASX: MLG) is a Kalgoorlie-based integrated mining services and resource asset management company, founded by Managing Director Murray Leahy. MLG delivers tailored solutions to mining operations, primarily focused on supporting its clients' ore processing facilities across gold, iron ore and other base metals in Western Australia and the Northern Territory.

MLG offers a comprehensive range of services under an integrated business model, often within a single contractual framework. These include Civil & Construction, Crushing & Screening, Bulk Haulage & Site Services, and the supply of Open Pit Mining & Construction Materials from MLG's strategically located regional quarries.

The Company's key capabilities include build, own, and operate models, contract crushing and screening services, as well as crusher feed and material management.

Services extend to include construction, road maintenance, rehabilitation work, vehicle maintenance, and machinery and labour hire. MLG's dedicated facility at the Esperance Port supports its end-to-end bulk commodity export logistics services.
