Bowen Coking Coal Limited (ASX: BCB) – Continuation of Suspension from Quotation

The securities of Bowen Coking Coal Limited ('BCB') were suspended at BCB's request on 15 July 2025 pending an announcement in relation to BCB undertaking further review of its funding position and finalising a funding and debt repayment pathway.

BCB's securities were subsequently suspended under Listing Rule 17.3 due to BCB not having lodged its announcement in relation to the further review of its funding position and finalising a debt repayment pathway by commencement of trading on Monday, 28 July 2025, being the timeframe contemplated in its request for voluntary suspension.

Having regard to the announcement of the appointment of voluntary administrators released to the market earlier today, 30 July 2025, ASX has determined that BCB's financial condition is not adequate to warrant the continued quotation of its securities and therefore BCB is in breach of Listing Rule 12.2. Accordingly, BCB's securities will continue to be suspended from quotation under Listing Rule 17.3.

The suspension will continue until ASX is satisfied that BCB is in compliance with the Listing Rules, including Listing Rules 3.1 and 12.2, and that it is otherwise appropriate for BCB's securities to be reinstated to quotation.
