* Based on the closing share price as at 18 July 2025, and the dividend guidance issued to the ASX on 7 February 2025 (2 decimal places). The intended fully franked dividend is subject to there being no material adverse changes in market conditions and the investment performance of the Company's portfolio. The Company's ability to continue paying fully franked dividends is dependent on the payment of tax on investment profits and there can be no guarantee that such profits will be generated in the future. Past performance is not a reliable indicator of future performance.
